If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the new guide, however do not embrace a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with different prices on every page. Be sure your sales copy is precisely the similar on each web page,

and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum value is.
