An efficient approach for figuring out a worth is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by making a sales page for the brand new e-book, but do not include a value on that page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with completely different prices on each page. Ensure that your sales copy is strictly the identical on

each web page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

In the end, in case you've written a guide that solves a problem or presents a brand new method, your e-book will herald both visitors and profits. So remember to write that selling-handle sentence that sums up what drawback your e book solves and what the benefits of your 1209 guide can be to the customers who buy it.
