An efficient approach for figuring out a value is to ship out a survey to your current customers. If these prospects have already bought an e book from you, ask for their opinion in terms of price. Do

that by making a gross sales page for the new ebook, however don't embody a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Be sure that your gross sales copy is exactly the identical on each web page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your site and sales of your book. This will inform you what your optimum value is.

Ultimately, if you happen to've written a e book that solves a drawback or presents a brand new technique, your guide will usher in both site visitors and profits.
