Do that by making a sales web page for the new ebook, however don't embody a price on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with completely different costs on every page. Be certain your gross sales copy is exactly the similar on every web page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum worth is.

Ultimately, should you've written a e book that solves a downside or presents a new method, your ebook will bring in both site visitors and profits.
