## Advertising Strategies

The important thing that unlocks the gross sales potential of your book is to discover a single sentence that becomes your promoting handle. One is to provide something away totally free with your e book, similar to a beneficial bonus item. Or bundle a number of ebooks below one worth, which lowers the price for each book in the event that they were bought separately.

An effective technique for determining a worth is to ship out a survey to your present customers. If these prospects have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by making a gross sales web page for the new e-book, but do not include a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on every page. Be sure that your sales copy is strictly the identical on each web page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum price is.

In the end, should you've written a ebook that solves a problem or presents a new method, your e-

book will herald each site visitors and profits. So make sure you write that promoting-handle sentence that sums up what problem your e book solves and what the benefits of your 1468 ebook will probably be to the shoppers who purchase it. And then watch your market come to you!
