An efficient technique for figuring out a worth is to send out a survey to your present customers. If these customers have already bought an ebook from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the new guide, but don't include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with different prices on every page. Be certain your gross sales copy is precisely the similar on every page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum worth is.

Ultimately, in the event you've written a guide that solves a problem or presents a brand new technique, your guide will bring in each site visitors and profits.
