Do that by creating a gross sales web page for the new book, however don't embody a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Be sure that your gross sales copy is precisely the

identical on every web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, in the event you've written a ebook that solves a downside or presents a brand new technique, your e-book will usher in each traffic and profits.
