Then you'll want to use that sentence in every piece of gross sales and promotional material, and every time anyone asks you about your ebook.

Apart from selling your books assiduously online, there are a number of other methods that may enable you promote extra books.

One is to give one thing away free of charge together with your e-book, akin to a worthwhile bonus item. Or bundle a number of ebooks below one worth, which lowers the value for each e-book if they had been sold separately.

An efficient method for figuring out a value is to send out a survey to your current customers. If these prospects have already bought an ebook from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new e-book, however don't embrace a price on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with completely different prices on every page. Ensure that your sales copy is exactly the same on every web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum price is.

Ultimately, for those who've written a guide that solves a problem or presents a new method, your book will bring in both visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what downside your e-book solves and what the benefits of your 184 ebook will probably be to the shoppers who purchase it. And then watch your market come to you!
