page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with different costs on each page. Be sure your gross sales copy is precisely the identical on every web page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum worth is.

Finally, in the event you've written a ebook that solves a downside or presents a brand new approach, your e book will herald each traffic and profits.
