Another strategy is to test out costs by creating a number of duplicate sales pages with completely different costs on every page. Be sure that your gross sales copy is precisely the identical on each web page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum value is.

Finally, in the event you've written a e book that solves a drawback or presents a brand new approach, your book will herald both site visitors and profits.
