to obtain excessive gross sales at a high price. If your e book solves an issue or answers questions in a brand new and distinctive method, it is best to price your e-book as high as you possibly can go. If you wish to see giant income over buyer draw, purpose for an audience that's looking for easy solutions to their issues at a low price. In case your e book is aimed toward fixing one specific problem slightly than normal recommendation, then you can cost more. Start on the highest value the market will bear to usher in the largest profits, and plan to discount the e book a number of occasions all through the year.
