price. Do that by making a sales web page for the new e-book, but do not embody a price on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with different prices on each page. Be sure that your sales copy is precisely the similar on every page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum price is.
