An effective technique for figuring out a value is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new e book, however do not include a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with completely different prices on every page. Be sure that your gross sales copy is precisely the same

on every web page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.

Ultimately, in case you've written a ebook that solves a problem or presents a new method, your e book will bring in both site visitors and profits. So make sure you write that selling-deal with sentence that sums up what problem your e book solves and what the advantages of your 458 e-book will be to the customers who purchase it.
