An effective approach for figuring out a value is to send out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new e book, but do not embrace a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Be certain that your gross sales copy is exactly the similar on each web page, and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum worth is.

Ultimately, if you happen to've written a ebook that solves a downside or presents a brand new method, your e-book will bring in both traffic and profits. So be sure you write that promoting-handle sentence that sums up what drawback your guide solves and what the advantages of your 505 e book might be to the customers who buy it.
