Then be sure to use that sentence in each piece of gross sales and promotional materials, and every time anyone asks you about your ebook.

In addition to promoting your books assiduously on-line, there are a number of other methods that can help you sell extra books.

One is to provide one thing away without cost along with your e book, such as a valuable bonus item. Or bundle a number of ebooks under one worth, which lowers the value for each e-book in the event that they have been offered separately.

An effective method for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the new book, but don't include a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with totally different prices on each page. Make sure that your gross sales copy is strictly the same on each

page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum value is.

Finally, when you've written a ebook that solves a downside or presents a new approach, your book will bring in both visitors and profits. So you'll want to write that promoting-handle sentence that sums up what problem your ebook solves and what the advantages of your 57 e-book shall be to the purchasers who buy it.
