What do you think an idea is worth when evaluated against the price of paper and ink?

It is the IDEAS which might be useful! That's how you decide the price of your ebook.

What ought to I charge for my concepts?

There are all different formulation and methods for figuring out the right value to your ebook. Let's begin with honing in on your ultimate goals.

Decide if your purpose is to get broad distribution and maximum exposure. This is a superb pricing strategy if you're trying to acquire lengthy-term customers. Long-time period clients are extraordinarily likely to buy from you once more and again ? as long as the first ebook they buy is of distinctive high quality and helpful to the customer.

However, if your book accommodates beneficial ? and extra importantly NEW information, references, or strategies ? then you need to goal to price it on the excessive end.

After you determine your objective, you must work out what your audience's want is in your ebook. For instance, does your e book solve a particular downside? In case your e-book solves a problem or answers questions in a new and unique approach, it is best to worth your e-book as high as you may go.
