Advertising Strategies

The key that unlocks the sales potential of your book is to find a single sentence that becomes your promoting handle. One is to present something away without spending a dime with your e-book, corresponding to a valuable bonus item. Or bundle a number of ebooks under one price, which lowers the price for each e-book in the event that they had been bought separately.

An efficient approach for determining a price is to ship out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the new e-book, however don't embody a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with completely different prices on every page. Make sure that your sales copy is precisely the identical on every web page, and contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum price is.

In the end, in case you've written a e-book that solves a problem or presents a brand new approach,

your book will usher in each site visitors and profits. So be sure you write that promoting-handle sentence that sums up what drawback your ebook solves and what the advantages of your 674 e book will likely be to the shoppers who buy it. And then watch your market come to you!
