Do this by creating a gross sales page for the brand new e-book, however don't embody a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with different prices on every page. Make sure that your sales copy is precisely the identical on every

web page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.

Finally, if you've written a e-book that solves a problem or presents a new technique, your guide will usher in both site visitors and profits.
