As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with completely different costs on each page. Make sure your gross sales copy is exactly the same on every web page,

and consists of your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

Finally, for those who've written a book that solves a downside or presents a brand new method, your ebook will herald each site visitors and profits.
